To Whom It May Concern:

We are writing to give our support to the Prescott Western Heritage Foundation and Heritage Center.

Mr. Dennis Gallagher of the Foundation gave a presentation at one of our monthly meetings about the Foundation and plans for the Heritage Center. Some of our members are involved with the Foundation and highly recommend the Foundations' achievements in accomplishing their mission of preserving and promoting our western heritage through education, arts, music, and projects that enhance our western lifestyle, making Yavapai County a unique place to live and visit.

The goal of the Heritage Center is to bring all organizations, museums, businesses, cities and towns in Yavapai County who wish to preserve, promote, and educate people about our history and western heritage together in one place. We feel this is a great idea and will be an asset not only to those organizations, museums, businesses, etc. who participate, but also to Prescott, Yavapai County, and all who live and visit there.

We are proud to be a member of the Prescott Western Heritage Foundation and to donate to the Heritage Center building fund. We look forward to the future of bringing all who share our passion together under one roof.

Best Regards,
