WESTERN HERITAGE CENTER TEMPORARY CLOSURE

Prescott, Arizona (March 19, 2020). In accordance with the most recent Federal and State guidelines, concerning the COVID19 virus outbreak, the Prescott Western Heritage Foundation's Board of Directors has decided to close the Western Heritage Center until May 1, 2020. At that time, the Board will review the most current Federal and State guidelines and, based on this latest, updated information, will decide if continued closure is warranted.

The Board's decision was in response to the guidelines and suggestions issued by the President and the Centers for Disease Control and has been made from an abundance of caution and concern for our numerous volunteers, guests and our Board of Directors.

The Prescott Western Heritage Foundation thanks you for your consideration, understanding and continued support during these unprecedented times. Please watch for the latest information in *The Daily Courier* and on the Foundation's website (www.VisitWhc.org). We look forward to welcoming you to the Western Heritage Center once the current situation is resolved.
