"The Prescott Corral of Westerners International is a non-profit and is organized for educational purposes by which it promotes interest in the history and culture of Western North America. The Prescott Corral disseminates knowledge about Western North America through regularly held meetings at which lectures are presented by knowledgeable experts, through field trips to historic locations in Arizona, through study groups and through published materials. The Prescott Corral is dedicated to:

- ★ Preserving historic subjects of the West which may be otherwise lost.
- ★ Conducting research and developing a permanent record of the lore, traditions, historic explorations, prehistoric and present people of the West.
- ★ Perpetuating and preserving this knowledge through education, oral and video histories, presentations, and writings.
- ★ Promoting interest in the history and culture of the frontier experience.
- ★ Sponsoring and conducting organized programs, studies and educational activities."

SCHEDULED EVENTS & PUBLICATIONS:

- ★ Presents the annual **Arizona History Symposium** in conjunction with *Sharlot Hall Museum*
- ★ Publishes the weekly "**Days Past**" articles in the Prescott Courier in conjunction with *Sharlot Hall Museum*
